"Behold I make all things new!" Revelation 21:5

Dear Friend,

Thank you for your contribution to this work in Western North Carolina to fulfill the Great Commission. We have many words of gratitude for the countless blessings from all beloved and generous helpers towards this great work! This letter is long overdue and there is so much to share.

(Job 32:18-20 New International Version)

For I am full of words, and the spirit within me compels me; inside I am like bottled-up wine, like new wineskins ready to burst. I must speak and find relief; I must open my lips and reply.

Just down the mountain where we Bashams have been miraculously positioned are the beautiful towns of Waynesville and Clyde, between which missionary revivalists constructed Lake Junaluska many years ago. The Army Core of Engineers assisted in the creation of this spectacular retreat and training base that memorializes celebrated Generals of God such as John Wesley and Francis Asbury.

It is my opinion that the believers who ventured here through the treacherous winding passes west of Asheville were not doing so for vacation. They were coming to reach the beautiful remote mountain folk!

STANDING UPON THE SHOULDERS OF LEGENDARY LABORERS

Now, what we Bashams have found in the past several years since being placed here at the Gateway to the Smokey Mountains is that these sweet mountain folk really are still largely unacquainted with the fullness of what is afforded to all of us Christians in the Gospel. Derek Prince wrote a book called Complete Salvation -- a treasure we have been honored to distribute here, post-Hurricane Helene thanks to the generosity of Derek Prince Ministries. In this work, Derek shared that there is a large amount of unutilized power, overcoming, and victory through the finished Work of the Cross! God's plan is not for anyone to remain in their poverty or sickness.

Don Basham, who worked closely with Derek Prince taught extensively on the power available to us through the Holy Spirit.

The book of Acts in our New Testament reports not so much the "Acts of the Apostles" as the acts of God through THROUGH the apostles. The early church came "face up with a

miracle," not just once, but repeatedly, and the demonstration of God's supernatural power was not so much the exception as the expected thing.

--Don Basham, Face Up With a Miracle, Chapter 20

Now that's a good declaration to make right there over our lives:

I am expecting repeated demonstration of god's supernatural power in my life!

Since the devastating 2 TRILLION gallons of water were dumped on the local mountain people during Hurricane Helene, taking many lives, there is a desperate need here for Holy Spirit-Imbued teachings along with signs following.

WHAT IS NEXT?

Jesus used the analogy of a flood, earlier to come and try both the wise and the foolish man's house and foundation.

[Matt 7:24-27 King James Version, Italics added]

Therefore whosoever *heareth* these sayings of mine, and *doeth* them, I will liken him unto a wise man, which built his house upon a rock: *And the rain descended, and the floods came*, and the winds blew, and beat upon that house; and it fell not: for it was founded upon a rock. And every one that *heareth* these sayings of mine, and *doeth* them not, shall be likened unto a foolish man, which built his house upon the sand: *And the rain descended, and the floods came*, and the winds blew, and beat upon that house; and it fell: and great was the fall of it.

So we must HEAR and DO what the Lord said! Dad woke me up the morning of the flood and we drove down the street to see a demonstration of this Scripture. After the massive flood that tested WNC, will you join us in agreement for a Holy Spirit revival and baptism by fire?

Since the name of our county is "Haywood," often we have considered the Scripture passage regarding "wood, hay and stubble" which references a coming TESTING fire!

[1 Cor 3:8-15 King James Version, Italics added]

Now he that planteth and he that watereth are one: and every man shall receive his own reward according to his own labour. For we are labourers together with God: ye are God's husbandry, ye are God's building. According to the grace of God which is given unto me, as a wise masterbuilder, I have laid the foundation, and another buildeth thereon. But let every man take heed how he buildeth thereupon. For other foundation can no man lay than that is laid, which is Jesus Christ. Now if any man build upon this foundation gold, silver, precious stones, *wood, hay, stubble*; Every man's work shall be made manifest: for the day shall declare it, because it shall be revealed by *fire*; and the *fire* shall try every man's work of what sort it is. If any man's work abide which he hath built thereupon, he shall receive a reward. If any man's work shall be burned, he shall suffer loss: but he himself shall be saved; yet so as by *fire*.

Over time it has become abundantly clear that what is most needed here to reach the local mountain folk is good sound doctrine that emphasizes the Baptism in the Holy Spirit with a body of unified believers operating in the Gifts of the Spirit.

“BLESSED TO BE A BLESSING” REPORT

Sister Marlene and her family helped contribute rent to our downtown My Father’s House Veteran’s outreach base for 5 months –plus Internet bills paid! This facilitated at least 20 meetings here full of worship and prayer and Holy Spirit filled fellowship, which is virtually unheard of in this area.

We were able to donate a 40 ft 5th wheel trailer and contribute 100’s of hours to volunteer work to the hardest hit areas, working together with local veterans.

Kenneth Copeland Ministries gave thousands of dollars to help some of our immediately affected veterans, also giving many resources of Holy Spirit filled teachings.

Derek Prince Ministries contributed many boxes of materials we have been able to distribute tactfully among believers who have been greatly encouraged and fed by these. These continue to be shared with local ministries that operate in the Gifts of the Spirit, as close as Eastern Tennessee.

THE VISION

We are opening our hands to our Heavenly Father in praise and expectancy for:

- Professional facilities to edit and publish countless Don Basham materials
- Competent, trained fellow laborers
- Prayer lines and licensed intercessors able to handle spiritual warfare/healing prayer calls
- A 5013C and other methods through which we can have partnerships with visionaries!

In addition to this, the partnering with members of Word of Faith churches is expected to advance and gather momentum. From San Diego California’s Church Tsidkenu to Eagle Mountain International Church (our church!) in Texas, to Faith Church Naples in Florida, it’s going to be a thrill seeing how we can press forward to bring the Word to these who are hungry and thirsty and ready for miracles! We would also like to thank Shannon Ray Davis of Omegaman Radio, Lisa Perna of Touched by Prayer to help get the word out and to alert the prayer warriors on their intrepid podcasting platforms

Finally, thank you for praying for us and “letting God be God” as Don Basham says! It’s easy to be overwhelmed by the sheer magnitude and scope of serving the Lord, as the need is so great. That’s why getting the Words of Life out there helps immensely to enable us to lean on the Lord and let His Finished Work do the heavy lifting. Even a simple 10 page publication with a catchy cover and title can be just the thing to set someone free when put into their hands.

Here's an example of what is to come as we take transcripts from Don Basham teachings. This is from his teaching "Kingdom Prosperity which you can listen to in its full entirety by following the link at the end of this letter. This will help break off a big issue facing many of the local folk both here and worldwide -- that is the curse of poverty!

"God's will for us is good. Our inheritance and the goal that God has for us is Canaan. That is the land flowing with milk and honey. That is the land of abundance, that is the land of wealth, that is the land of prosperity, a land where God wants us not to want for anything at all, where every need will be supplied, where every desire will be fulfilled.

God is not a stingy God. God is not a 'pick at you' God. God's not standing around waiting to slap our hands when we reach for something that's good or that we like. The Kingdom of God, the prosperity of God is a part of our inheritance as the children of God.

So God's will for us is good and our goal is Canaan, and Canaan is a land flowing with milk and honey. Don't let the devil or anybody tell you anything else!"
